#### ARCH CAPE SANITARY DISTRICT

## POLICY 16-D2SD

# A FINANCIAL MANAGEMENT POLICY FOR THE ARCH CAPE SANITARY DISTRICT (the "District")

**Objectives** 

- To ensure that all financial systems, functions, and controls meet generally accepted auditing standards.
- Preserve capital through prudent banking and cash management activities.
- To achieve the most productive use of cash, minimize operating costs, and to control receipts and disbursements.
- To maintain competitive and good working relations with financial institutions.
- · To provide safety to employees.

**Banking Services** 

- Verify that the bank in use is on the list of qualified depositories on the State
  Treasurer's website:
   http://www.oregon.gov/tresuary/Divisions/Finance/LocalGov/Pages/Qualified-Depositories.aspx
  - Be insured by the Federal Deposit Insurance Corporation
  - Be able to facilitate transfers to and from the Local Government Investment Pool managed by the Oregon State Treasurer.
  - Provide annual audited financial statements.
- All district bank accounts must be authorized and approved by the Board of Directors.

**Billing and Receipts** 

- The district will invoice all vendors for amounts due on a current basis. Past due and delinquent accounts will be reviewed on a regular basis. Invoices are due and monthly interest charged for past due accounts on the then enacted District ordinance or resolution presently in force.
- State Funds/State Grants. If stage agency/grantor is willing and it is feasible, funds will be received via the Local Government Investment Pool.

**Accounts Payable** 

- Invoices will be analyzed to take advantage of any discounts available.
- All obligations paid to the district will be reviewed to ensure proper documentation is

Adopted on the 8th day of January 2016

attached and that all district requirements are met.

### **Cash Forecasting**

• Each fiscal year, the district manager will prepare an annual general fund cash flow budget for the district for approval by the board of directors.

#### Debt

- If feasible, the district may enter into long-term lease obligations or issue bonds to finance capital acquisitions upon approval of the board of directors.
- Before issuing any debt, the district will consult with appropriate internal and/or external financial advisors.
- All leases, as reported in the district's annual financial report, will be limited as follows.
  - Annual leases will be limited to the economic life of the equipment or facilities to be purchased, and in no case, shall be extended beyond 20 years or as otherwise authorized by Oregon Revised Statutes.
  - Lease purchases of equipment and facilities will be limited to fit within the district's stated mission, goal or government role.
  - All lease-purchase payments must be included in the originating department's approved budget.
  - The district manager or elected official shall respond in writing to all external audit reports stating what actions have been taken to address the findings contained in the audit.

#### **Internal Controls**

- Segregation of duties will be established to ensure oversight of District bank accounts and deposits with the State Treasurer.
- The District will not handle cash transactions.
- All accounting computer records must be kept secure. Persons authorized to edit or review the records must be given passwords which only enable them to access the system. More than one person should be trained on the system. Accounting records should be backed-up on a regular basis.
- The person that does the reconciliation of district accounts should not be the same person that writes the checks. If it is not possible to have separate functions, then the disbursements must at least be reviewed regularly by the board of directors or someone who does not write the checks.
- All large purchases should be authorized by someone other than the signer of the checks.

Adopted on	the	<sup>th</sup> day of	2016
Adopted on	me	day or	2010

- There shall be two authorized signers for all checks.
- Receipts should always be verified prior to paying an invoice. Procedures should be
  developed for checking receipts or packing slips to determine that merchandise or
  services have been received before payment.
- Authorization for writing off bad debts shall be given to the accounts receivable officer, district manager, and board of directors at the following levels:

\$ 0 to 100 Admin Asst \$101 to 500 District Manager \$501 and above Board of Directors

#### General

- Two funds shall be maintained for the District being the General Fund and Capital Fund.
- Monthly budget versus actual financial statements shall be maintained on a modified
  cash basis in that certain large disbursements such as for payroll or monies transferred
  as required by any inter-governmental agreement shall be reflected in the period the
  obligation is incurred rather than the date it was executed.
- A current chart of accounts shall be maintained as reflected in Exhibit A.
- A general ledger and subsidiary ledgers as needed are to be maintained in support of financial statements as well as receipt and disbursement records held on behalf of the District.
- Invoices shall be issued sequentially.
- · Spoiled checks shall be voided and retained.

#### **Authorized Personnel/Security**

- The district manager is authorized to open demand deposit accounts as may be required by the district.
- Checking accounts require two manual signatures.
- The district manager is responsible for maintaining a current signature card with the appropriate financial institution.

#### **Investments**

The district will have a written investment policy adopted by the board of directors.

### Audits/Auditors

• The district will conduct an annual audit or review as required by Oregon statutes then in force and the Secretary of State.

Adopted on the \_\_th day of \_\_\_\_\_ 2016

- Audits and reviews must be conducted in accordance with the "Minimum Standards for Reviews of Oregon Municipal Corporations" adopted by the Secretary of State Audit's Division.
- District employees are to cooperate with all auditors, external and internal, regarding any records maintained for or by the district.
- All external and internal audit reports are to be sent to the board of directors, district auditor, and the district manager.
