

## **Resolution 10-1 WD**

### **A Resolution Establishing Sole Source for Water Filtration Equipment**

**WHEREAS, the Arch Cape Domestic Water Supply District on September 24, 2009 published in the Daily Journal of Commerce a request for proposals for the purchase of modular water filtration equipment; and**

**WHEREAS, on October 6, 2009, two proposals were received and evaluated and the recommendation from the District's consulting engineers was to accept the proposal from WesTech Engineering, Inc. due to their cost efficiency and equipment performance; and**

**WHEREAS, notice of the intent to accept WesTech Engineering as the sole source supplier was publicly advertised and no protests were filed with the District in the time allotted per OAR 137-047-0275;**

**NOW, THEREFORE, in accordance with the stated OAR, be it resolved the ARCH CAPE DOMESTIC WATER SUPPLY DISTRICT hereby establishes WesTech Engineering, Inc. from Salt Lake City, Utah, as the sole source provider for the water treatment plant filtration equipment.**

**Dated this 8 January 2010.**
