All In Favor. Motion carried.

Further discussion followed regarding authorized signers for reimbursements related to the grant. Mr Chick recommended that the signers be himself, Ms. Debra Birkby and Mr. Chris Anderson. New Business:

Ford F450 Truck Repair: (Action) Mr. Chick reported that the dump truck is presently at Astoria Ford and that they had recommended an engine replacement for the present engine which had sustained damage from loose parts that had begun moving through the engine itself. They quoted \$21K for a new engine replacement.

Mr. Chick said that Tillamook Diesel had estimated \$30K for the work. The City of Cannon Beach may also have a surplus dump truck for sale in the near future. The consensus of the board was to ask Mr. Chick to further investigate different quotes and or options for the repair.

A general discussion ensued on the merits of repair versus replacement. Mr. Chick said that we could have some additional time in leaving the truck at Astoria Ford for about a month but a decision should be made. A general consensus developed to replace the engine versus an attempted repair with an unknown outcome. To be a November agenda item.

New Director for Position #5: (Information) The discussion developed on whether either Ms. Linda Lapp Murray or Ms. Nadia Gardner from the water board might be interested in taking the open position on the sanitary board. It was decided that a notice of board position vacancy would be advertised and in the November meeting an appointment be made should a volunteer be identified. The term would be for two years, expiring in June of 2023 when a new election would take place for a four (4) year term.

- Compliance With Law
All meetings shall be conducted in accordance with the Oregon Public Meetings Law, ORS 192.610-192.710, and 192.990.
- Location of Meetings
All meetings shall be held within the geographic boundaries of the District, except for training sessions held without any deliberative action. - Emergency Meetings
Emergency meetings may be held at the request of persons entitled to call special meetings, upon less than 24 hours notice in situations where a true emergency exists. An emergency exists where there are objective circumstances which, in the judgment of the person or persons calling the meeting, create a real and substantial risk of harm to the District which would be substantially increased if the Board were to delay in order to give 24 hours notice before

conducting the meeting. The convenience of Board members is not grounds for calling an emergency meeting.

At the beginning of any emergency meeting, the Director or Directors calling such meeting shall recite the reasons for calling such meeting, and the reasons the meeting could not have been delayed in order to give at least 24 hours notice, which reasons shall be noted in the minutes. The Board shall then determine if the reasons are sufficient to hold an emergency meeting and, if not, shall immediately adjourn such meeting. Only business related directly to the emergency shall be conducted at an emergency meeting.

- Notice of Meetings

Notice of the time, place, and principal subjects to be considered shall be given for all meetings. For regular meetings, the notice shall be in the form of an agenda, which shall be sent to all Board members, local media, and to all persons or other media representatives having requested notice in writing of every meeting. The agenda shall also be posted at the following locations within the District: Districts' bulletin board at the Arch Cape mail boxes, District office, and bulletin board at the Arch Cape Fire Hall. The agenda shall be posted at www.archcapewater.org or such other website as the District may customarily utilize.

Written notice shall also be sent to any persons who the District knows may have a special interest in a particular action, unless such notification would be unduly burdensome or expensive. For special meetings, press releases shall be issued or phone calls made to wire services and other media; and interested persons shall be notified by mail or telephone. For emergency meetings, the District shall attempt to contact local media and other interested persons by telephone to inform them of the meeting.

- Executive Sessions

Notice for meetings called only to hold executive sessions shall be given in the same manner as notice for regular, special and emergency meetings set forth above, except that the notice need only indicate the general subject matter to be considered at the executive session, but it shall also set forth the statutory basis for calling the executive session.

The President or other presiding officer shall announce the statutory authority for the executive session before going into closed session. Once the executive session has been convened, the President shall direct any representatives of the news media who are present not to report certain specified information from the executive session. In general, the extent of the non-disclosure requirement should be no broader than the public interest requires, and the news media will ordinarily be allowed to report the general topic of discussion in the executive session. Board members, staff and other persons present shall not discuss or disclose executive session proceedings outside of the executive session without prior authorization of the Board as a whole.

- Interpreters For the Hearing Impaired

The District shall comply with ORS 192.630(5) regarding the provision of interpreters for the hearing impaired at Board meetings, in accordance with the following rules:

- The District shall make a good faith effort to have an interpreter for hearing impaired persons provided at any regularly scheduled meeting if the person requesting the interpreter has given the District at least 48 hours notice of the request, provided the name of the requester, the requester's sign language preference, and any other relevant information which the District may require. "Good faith efforts" shall include contacting the Oregon Disabilities Commission, or other state or local agencies that maintain a list of qualified interpreters.
- If a meeting is held upon less than 48 hours notice, the District shall make reasonable efforts to have an interpreter present.
- The requirement for an interpreter does not apply to emergency meetings.

Board Meeting Conduct

- **Presiding Officer**
The President shall preside at Board meetings. In the President's absence, the Vice-President shall preside. If both the President and Vice-President are absent, any other member of the Board may preside.
- **Authority to Conduct Meetings**
The President or other presiding officer at any Board meeting shall have full authority to conduct the meeting. Meetings shall be conducted in such a manner as to provide a full and fair opportunity for discussion of the issues in an efficient and timely manner. Any decision of the President or other presiding officer at the meeting may be overridden by a majority vote of the Board.
- **Public Participation**
If public participation is to be a part of the meeting, the presiding officer may regulate the order and length of appearances, and limit appearances to presentations of relevant points. Persons failing to comply with the reasonable rules of conduct outlined by the presiding officer, or causing any disturbance, may be asked or required to leave. Upon failure to do so, such persons become trespassers.
- **Electronic Equipment**
The authority to control the meetings of the District Board extends to control over equipment such as cameras, tape recorders and microphones. The presiding officer shall inform persons attending any meeting of the District Board of reasonable rules necessary to assure an orderly and safe meeting. The physical comfort and safety of members of the Board and the public attending the meeting shall be of primary concern in formulating such rules.

- **Public Access**
All meetings of the District Board, excluding executive sessions, must provide to members of the general public, to the extent reasonably possible, an opportunity to: (a) Access and attend the meeting by telephone, video or other electronic or virtual means; (b) If in-person oral testimony is allowed, submit during the meeting oral testimony by telephone, video or other electronic or virtual means; and (c) If in-person written testimony is allowed, submit written testimony, including by electronic mail or other electronic means, so that the Board is able to consider the submitted testimony in a timely manner.
- **Recording of Votes**
Votes shall be recorded. Any member may request that his or her vote be changed, if such request is made prior to consideration of the next order of business.
- **Quorum Requisites**
Three members shall constitute a quorum. If only a quorum is present, a unanimous vote shall be required to take final action.
- **Vote Explanations**
Members of the Board may append to the record, at the time of voting, a statement indicating either the reason for their vote or abstention.
- **Conflict of Interest/Ex Parte Contacts**
In the event of a potential conflict of interest, a member of the Board shall declare such conflict but may participate in discussions and vote. In the event any member of the Board has had any ex parte contact in a quasi-judicial matter, the member shall declare such contact prior to participating in discussion on the matter.
- **Smoking**
Pursuant to ORS 192.710, no person shall smoke or carry any lighted cigar, cigarette, pipe or other smoking equipment into a room where a meeting is being held by the Board or is to continue after a recess. For purposes of the statute, a meeting is deemed to have started at the time the agenda or meeting notice indicates it is to commence, regardless of the time the meeting actually begins. This rule shall apply at any regular, special or emergency meeting at which the Board intends to "exercise or advise in the exercise of any power of government." No quorum requirement shall apply for this smoking ban to apply. If the Board intends to reconvene after leaving a meeting room for an executive session, the Board will be deemed to be in a "recess" during which smoking shall be prohibited in the meeting room.
 - **Smoking Policy at Other Locations:** If a meeting is held at a location other than one which is "rented, leased or owned" by the District, such as a hotel meeting room, where no separate charge is made for the room, the smoking ban of ORS 192.710 shall not apply, but other laws prohibiting smoking except in designated areas, such as that found in ORS 433.845, may apply.
 - **Smoking Reminder:** Whenever members of the public are in attendance at a meeting, the presiding officer may remind those present of the no smoking rule at the beginning of the meeting to avoid potential embarrassment.

- Adjournment
The meeting shall be adjourned by a majority vote or as a result of the loss of a quorum.
